“ *I was greeted by Audreys' "Good Morning!" and smiling face almost everyday going to work for the past couple of years. If he caught me going out to lunch he would say "hurry back now" and would laugh cause he knew I didn't want to come back to work. He has given me good advice and told me that if people know the kind of person you are, they won't listen to rumors. When he talked about his family, his love showed for them. He was a kind soul and I will miss his smiling face and his laughter. I pray that God will comfort and strengthen his family and friends, until we all are together again. :>*

“ *Thank you for all of the memories you have left behind Uncle Audrey, you were definitely one of a kind... It's still ironic that my dad had a brother and a wife named 'Audrey' who were as close as they came! You were a genuine soul, always positive and nurturing, always seeing the best in people. We love you and will forever miss you dearly ❤️ Rest easy, you deserve these wings.*
