“ *Christina grew up with my kids and was a sweetheart of a child that matured to a lovely young lady. We stayed in touch through Facebook. While going through her post transplant we still communicated. While recuperating she sent me the sweetest tribute. That's the type of person she was. I'll always love her and will miss her even more. Rest with the angels Sweetheart.*

“ *My dear friend, Christina, never knew you would leave us so soon. We have worked together for some years, and we always looked out for each other. You're safe in the arms of Jesus! No more pain , no more people treating you unfairly and taking from you. You were so smart and full of wisdom beyond your years! I miss you! Praying for Desmond and Michael and family members. May God comfort and love on them like never before!*
