“ *May God bring peace to the family during this extremely difficult time. I remember Devonne and his twin brother from tenure as a teacher at Science Hill. As I spoke to others who knew him from those days , all reflected in his smile and sweet disposition. In times like these it is so hard to understand the “whys” and “hows”; however, God never forsakes us even though it is hard so trust Him. Keep his memory alive and embrace his daughter with love and protection as she remains a connection and reflection of him.*

“ Devonne.. I wish I could've seen you one last time before you left.. 😞. I wish we could go back to the days in the bricks and relive those moments all over again.. every time when I'd see you it would instantly light up my day, you were so full of love, kindness, so full of life, and so much more, words can't explain or express the endless pain I feel for me, your family, and friends.. we're gonna miss you so damn much.. I love you, and I will cherish every memory I have of you.. #LLVON 😞🙏

*In heartfelt sympathy to Devonne's family and friends; we remember Devonne from his time in the youth group at FUMC. Such a gentleman! He and his brother were a real asset to the group. I recall picking them up in the church van and always being impressed by them. They were always courteous of others and many of the younger kids looked up to them as mentors. Devonne liked singing in the youth choir, going to Resurrection, helping others by going on youth mission trips and playing basketball in the gym. He was loved and respected by the whole congregation at FUMC. To his little daughter; you can be proud of your daddy and he will always be with you ❤️ May the Spirit of the Lord be with all of you at this time and provide you strength and peace.

“ Just wishing that we had at least one more Cousins night out... where we all got together had a good time and partied till the sun come up...now that is taken from all of us, so now we will celebrate for you! Growing up you and Deion were always my favorite twins. If I ever needed a dude to handle some business it was always you guys that wouldn't have a problem doing it lol. Over the years went by after school, we all got older and drifted apart, but one thing that me or anyone else will never forget is the love, the kindness everything you were able to give everyone else in order to make sure they were okay u always made sure to never put urself first. you have put a dent into all of us and we will forever keep ur name alive. Ur family is going to be okay it's going to be hard we love and miss you but we have to be strong for each other. We love you Devonne<3 LLV💔🕊️

“ Growing up in middle and highschool, times were hard & kids were mean. They would laugh or call you names, even when you didn't even deserve it. One day in middle school, devonne told a student to yk F off and leave me alone. Him and Deion reminded me of brothers growing up❤️they still do and always will. The best times is when we went to legion pool and would jump off the diving board and stuff. I'll never forget how honest, how truthful, how open and how amazing devonne was🙏god gained a beautiful angel. Prays for his sweet babygirl and his family❤️he will always be in our hearts and he will be a angel watching over his daughter□

I am going away to prepare a place for you and if I go , I will come again and receive you unto myself that where I am there ye may be also. Father it is in the name of your Son Jesus first thanking for life health and strength Father you are a God who makes no mistakes Heavenly Father may they find comfort and give them peace in this moment.And Lord those that don't know you that even in this moment in their lives that they called on. In Jesus name Amen.

Weeping may endure for a night but joy cometh in the morning.

R.I.P SEE YOU IN THAT GREAT GETTING UP MORNING WHEN THE DEAD IN CHRIST SHALL RISE FIRST AND WE THAT REMAIN SHALL BE CAUGHT UP TO MEET HIM IN THE AIR AND WE SHALL FOREVER BE WITH THE LORD
