“ *One of my earliest memories is looking down into the beautiful big brown eyes of 11 month old Nikki on my first day of babysitting. As a naive teenager, I was a little nervous to take care of her even for a few hours. But those eyes were so loving and trusting. It's almost like she was saying, "You can do it!" And sure enough everything worked out fine! She was a good baby. And of course I had the "little lady" Susie there to help me. Those were my girls!*

Prayers, hugs and love to all of you.

The Babysitter.

My niece, Nikki is going to be missed by our entire family. Although I have tried to wrap my brain around this loss, I know that God does not make mistakes. I am going to miss that smile and the love she shared. I can hear her coming up to me saying:;Auntie Petey how long are you going to be home or saying how much she missed me, I'll miss our phone conversations and those great big hugs. Like all my nieces and nephews, she held a special place in my heart. Today, she still has that special place and she always will. Nikki you have earned your wings and God has you in His Arms, we loved you, but God loved you best, so at home with Him, you are at rest.

*Love,
Auntie Petey & Uncle Latham*
