“ *It's hard to choose one memory to share when there are SO many to pick from, so instead, I'll share my gratitude. I'm grateful that God chose you to be my father. I'm especially thankful that I inherited your wit, intelligence, good genes and loud belches (lol). I'll forever love you, daddy! I'll personally see to it that your legacy remains. For the many lives you've touched, including my own, I'll pay it forward. I'll see you later!*
