“Daddy I miss you so much! More than my grandfather, you was my second dad. The most loving and Kind-hearted person. You never said "no". You always showed up. I miss our daily FT's, our conversations about Law & Order and Chicago P.D. I miss your morning texts asking how me and Mylanah is doing. Mylanah is missing her PAPA. She still includes you in her prayers at night. I promise to never let her forget you. My life seems so incomplete without you but I will always cherish the years spent with you. I love you Daddy! You will forever be missed!

“My dad, what can I say. You raised me, cared for me, taught me, from the day I came into this world. To say I'll miss you is an understatement. I wish I had more time, I wish I took advantage of the time I did have. I'm forever grateful for you being my dad. I love you and miss you endlessly.

“ My deepest condolences to the family of Robert Miller. Robert and I graduated together from Grenada High School, and I will always remember him as a kind, pleasant, and genuinely good person. He carried himself with quiet respect, minded his own business, and never caused trouble for anyone.

He was always friendly, easy to be around, and I'll also remember how well dressed he always was—he took pride in his appearance. Robert was truly a nice guy, and he will be remembered fondly.

Praying for comfort and strength for his family during this difficult time.

“ *God bless us with the most humble, caring, loving father ever. There could have never been a more amazing husband, father, grandfather & nor great-grandfather. You will definitely be missed. The daily FaceTimes calls, the calls from we coming to Chicago to stay for two weeks with you, from daddy how you cook and such and most certainly HOW YOU FEELING TODAY??? God did the big one when he created you but he even did the bigger one when he took you. Daddy I LOVE YOU, MISS YOU & YOU WILL NEVER BE FORGOTTEN. YOU WILL ALWAYS BE CELEBRATED ... Love your oldest Monica Miller*
