It's really some kind of evil for him to speak at his church about my momma never talk to her daughter about nothing! Never told my momma was in ICU for many day's dying instead he's in New York watching TV on vacation at the same time! Mocking my Momma's death thinking it's funny laughing saying I'm putting on a show that's really evil demonic wicked hateful to say something like that pure evil when they was hiding her illness and blocking me to care for my momma. That was my momma no matter what and I love her! He's the real demon told disrespectful disgusting disgraceful lies on me! Do you really think momma didn't talk to me before she passed? She was waiting for you to leave! This like you did grandmama Momma Lucy you did the same with Momma greedy for money's dead or alive just stealing it doesn't belongs to you!! You Minster Sinner Brooks destroyed my whole family you're a snake and a dangerous deceitful lair narcissist!!
